

We welcome you to spend as much or as little time with us during Holy Week and Easter as you wish.

Time to step back to reflect on the meaning of Jesus' last days, death and resurrection is also an invitation to give our spirits a spring clean.

We invite you to join us in giving God the space to open us to new ways of praying, listening, understanding, seeing, sensing. We will let poetry speak to our deepening sense of Jesus' journey and cast light on our own.

Special Holy Week events include:

Maundy Thursday– Sharing of the Passover meal (Seder) In the Jewish tradition

Good Friday - Silence, and Passion Music in the Chapel

Easter Saturday – Night Vigil in the Carpenters Chapel

Easter Sunday – Sunrise service in the river

Stations of the Cross

artworks made by various artists in some way connected to the Bield

or those that work here will be on display in the **Barn Gallery**.

Daily Rhythm

The daily rhythm will include morning and evening prayer, and each day a different approach to meditation sharing **ways of praying** together.

Every morning there will be a **Poem for the Day**. A member of our Pastoral team will share a favourite Easter poem with us and talk about its meaning for them, invite us into silent reflection and a time of sharing how it affects us

There will also be sessions of **Capacitar wellness practices** each morning, which can relieve stress and open participants up to greater wholeness and wellbeing..

You may choose to be in silence. You may want somebody to accompany you during your retreat or for a one-off conversation. You can decide what the right pattern is for you.
